

11/19/2001 David Damian's word to Fred Hsu

God said, "I will make the nations your inheritance." (psalm 2:8)...

(Note: God has given Fred the same word in three consecutive years from 1997 to 1999 on his birthdays saying, "You are my son, today I have begotten you.")

(...David continued) How the Lord gives you the nations? Being sent out as a missionaries is only one of the ways, but to you, He is not sending you out as a missionary, but is giving you nations as your responsibility. You will have a father's heart towards them, you will feel that this is my inheritance, and you will care for their well being. You want to see the fullness of what God can give them, you want to see their whole life journey is laying hold of God. You are asking the Lord, and God is enlarging your sphere and your capacity.

You will have many children, you will be their father---not of your own but by adoption, not necessarily through planting denominational churches under you, but having children in the body of the Christ.

When the Lord gives favor, you do not need to strive to get it, just like when God gave me the burden for Canada, though English is not my mother tongue, and I am an Egyptian who immigrated to Canada, nor am I a Bible student, but God called me.

When Jeremiah was called he said, "I do not know how to speak; I am only a child." (Jer 1:6) Today God is saying to you, "I will put words in your mouth, do not be terrified by them, or I will terrify you before them." (Jer 1:17) You do not need to see the full result, just do what the Lord tells you to do. Even you feel that your life has reached its end without fulfillment, you feel that you have not left any inheritance for your children (meaning church), but that is alright. There were patching and leaking for one generation after another, but this generation is laying the foundation, it is preparing the Bride.

For any building to be built right you need to first uproot and tear down, to destroy and overthrow, then to build and plant (Jer 1:10). The method is that you need to see the right model. People will laydown on their own and change, you do not need to destroy it. What you will build later is related to a larger sphere, and when people see it they will rejoice. The Lord has spoken to you already and now He is stretching you and giving you favor, so you may move to the next phase.

(...After prayed in tongues for a while) I see a vision, I saw Uncle Sam wearing a black hat. The Lord said, "I give you the nations, enlarge your heart. Begin to cry out for America, not just for the Chinese, because the glory of America will impact the Chinese and also others.

There is a new birth, "you are my son, today I have begotten you." (Psalm 2:7-8) Today there is a new birth in you, you will find yourself unable to ignore it. It will haunt you, you are pregnant with a birth, and you cannot ignore it. He has prepared you for a time like this. It is very powerful when you give your heart to it. God says, "I will give you people and resources to help you." That did not happen before. You said, "Lord, if you send me and help me, then I will embrace it." But God says, "No, if you embrace it, then I will send people to help you." Every step God will send people to help you.

You have maximized what you are doing but God is enlarging your sphere and giving

you new vision. "You will be called repairer of broken walls, restorer of streets with dwellings." (Isaiah 58:12) You have been called to repair the bridge. The Lord will make you "like a well-watered garden, like a spring whose waters never fail." (Isaiah 58:11) In every stage of your journey, people will come to receive fresh water.

It seems like you will speak to yourself that this has been what the Lord has been doing, but somehow there was no grace to embrace it before. But now you know that you have been created for that purpose, and the Lord will give you the zeal that will consume you. It will be like you look at the churches and say, "That is not what I want." And what you want will be like fire consumes your bones. People will not understand, they will say, "What has happened to you?" But you will speak with authority and one day people will know that God has commissioned you and has spoken to you. Those sent by God will be clearer in their spirit and say, "We are with you again." You will not be lack of resources, for God will provide.

Embrace the vision, take up the overseer's role. Church will release part of your time. They will also own it and say, "This is part of our vision." God is rewriting your vision which includes the sphere that the Lord is giving you. God says, "I will surprise you, and people will confirm it, you will connect with leaders who have the same heart. In every step, there will be connection."

(David prayed) Dear Heavenly Father, your way is higher than our way and your thoughts are not our thoughts. You trust us, such frail and weak people. You see in us what we don't see in ourselves; yet your presence walks with them. Give them favor, open doors, give them impartation and then suddenly something kicks inside. Fred and Molica, they are called to be father and mother, not only for a church but for the nations. Amen.

Anton Cruz's words to Fred and Molica on 12/16/2006

You have a father's heart, humble, integrity, submissive and faithful. You have been in the wilderness and have paid a great price. People rejected you but God knows your heart. People left church, that was part of the cleansing process. One leaves and God will bring two. What God looks for is not a big church but someone with the Father's heart. Those that left, will come back later.

Transformation is taking place. God is shaking and cleansing, those that remain will be transformed. God will use you, He will open doors for you. People rejected you, church denomination rejected you, but in the future they will invite you back. God will use you to cause church to become His intimate bridal church. In the future, your youth will go to Jerusalem and Arabic nations.

God will open Doors for you. Those that rejected you, even denominations, will invite you. The business community will support you and your ministry.

Anton Cruz's words on 09/12/2009

(Anton came in, laid down his luggage, sat down and said...) Before you say anything let me deliver the message God has for you and your church.

Prepare the people and prepare the way for a new season. God has prepared you for a new shift, 5 years ago you had a major shift, 10 years after church started, which is now, another major shift.

God has prepared you as a father. God will use you to release many sons and daughters. You will do missions and minister to the poor. You will release teams to do vision based missions, not regular church, more a vision not a regular church.

Church calling will turn to vision based church. There will be shaking inside the church but the vision will become very clear. People's heart have been prepared for the new changes. The youth in your church will be anointed to be more powerful. The direction is releasing the youth. You release them and pray for them, and they will do great in the nations.

International connections for your church is very strong which include China, Africa, Jerusalem, etc.

It is not a question of number for you. In every step people will leave but do not be discouraged. God will raise new generation to make up for the old ones.

Father's heart and father's love is you, God is making a new move and new direction this time. Every move always causes shaking and every shaking is also a new move. Now God is doing just that. Two type of people will response differently. Those in the outer court, shaking will cause tension and they will struggle; but those in the inner court, they will not struggle.

Now something is happening for good, this time I come here to encourage you. God wants to use you for top people. They are good people but they need you, because many people do not know where to go.

God is doing the shaking because He will use your father's heart for the top people. This is a higher calling. I asked the Lord who are you releasing? And God said it is you, Fred. Your calling is very special. High level Chinese leaders, with their hearts like vacuum, they need you to connect with them, not to connect with their work but to connect with their hearts, because you see their pain. I asked God, "Who can do this?" and God said, "Fred." It is a healing ministry. What God prepares for you to do is a big ministry, but not to connect them with their ministries, but to connect with their hearts.

This time I came here just to share this with you. The time is ripe, it is ripe time now.

Focus on God's kingdom, not church. Church is just one part of the Kingdom. The head leaders are coming and you will touch them! For this journey, now is the best time in your life. It is harvest season, no more sowing. I want to encourage you.

Pastor Anton Cruz prayed for, and prophesied over, HIC on 11/14/2013 at Pastor Fred's house. 20-some sisters and brothers were gathering, and 4 of them came from Pennsylvania.

Father, We are family. We need your special favor today because family needs more understanding. When one is weak, another is strong. Vise versa. That's why you bring weak and strong together in a family. When we get together, there is no weak, no strong. But all are one. This family is a very unique model for all nations. Father, always big things happen from a small place. This place is a small place. There is always big things happen, but it is not possible for our human eyes. But to you, it is always big things happen in this place. Father, we see this place as a place of Bethlehem, where Jesus is born in a far place. We see this place kings and queens come here. You have chosen this place. Father, a major breakthrough of the history in this place. Anything happened as a surprise in our lives. My thoughts are not your thoughts. Your ways are not my ways. This is exactly what happened here, Father. People come here with their own thoughts and plans. But finally you changed their plans completely and gave them your plan. You give your thoughts into their lives. You changed them completely, transformed them completely. Transform their mindsets and then use them. That's why you bring people from different places, different cities, and even different nations. This is a place of transformation. We thank you, God. We thank you. You call this place as a upper room, waiting upon God, receive the power of the Holy Spirit. Receive the shaking, shaking, shaking and transformation. This place is Upper Room. Thank you, Father. Many shakings have taken place. But Lord our hearts are always linked with you. Thank you, Father, we never move out of you. (02:46) Now we pray the time of Pentecost. We will see signs and wonders. Father, new languages, new cultures, new tribes come together. Thank you, Father. Because of this upper room, many explosions happen outside. Thank you, Father... When you tell them to be quiet... When you tell them to go, they go. Father, thank you for this kind of obedience. Today we pray for special favor, even for people from outside. There is a special calling in this place!

Even people are gathering here, we are a family; there are apostles, Mary(s). The place is like a family upper room. Receive the power of the Holy Spirit. Today, Father, I declare, this is father's house. This place is father's house. Daughters and sons come together, even grandchildren come together. Father I pray many people going out of this place, they are coming back with grandchildren. This is father's house. There is love; there is peace; there is reconciliation. This is the year of reconciliation. The year of repentance and reconciliation. Many families are going to be reconciled together. I see this. Many families they have gone away. They come back with a heart of repentance. They are going to reconcile together. Thank you, Father. Because this is father's house. Thank you, Father. I pray from this father's house, many father's houses are going to flow. This is mother of father's house. Father, I thank you for raising many fathers and mothers. Those people who have been in this house from 7 years, 9 years, now they are going to be fathers and mothers. They are no longer babies, they are going to be fathers and mothers. They are not just leaders. They are going to be fathers and mothers. They are going to preacher ... That's the calling you want for this place. Today especially I pray for those who have been faithful in this church for 7 years. Today I see a special anointing. You are here for 7 years as a part of this church. The Lord is going to anoint you very special today. You are called to be a leader but with a father's heart. Because 7 years you are so humbled. You're so broken. But you never give up, very faithful. And God is going to anoint you. 7 years of journey, some who have accompanied you left you. But you never moved, never shaken, never left. But today God has called you. Father God, I pray your people they are continuing to walk another 7 years. Another 7 years will be years of completion. Father I thank you the coming 7 years are the years of transformation. 7 years with 7 mountains. God is going to completely use you. People coming from this place will even take over market place. 7 mountains, is coming from this place. Release father's heart in this place. Forgiveness, reconciliation, restoration. Now taking up the 7 mountains. Father, Holy Spirit, I pray, people who came to this church 7 years back, they are going for the 7 mountains. This ministry is going to take off right now. This is another model that you are choosing New Jersey. Release special favor and anointing upon your people. Father, we thank you for calling fathers and mothers, especially Pastor Fred and Molica both for the nations. We thank you, esp. father for native

people. Not for the kings and queens, but you will take kings and queens to the native people. You will take kings and queens in your chariots to the native people, the tribal people, the aboriginal people. God is going to use you, fathers and mothers. There is going to be new chariots. The Lord says I am going to give you chariots. Chariots, chariots, chariots. You are going to the Bible and you will see the meaning of chariot. These 7 years that is going to be chariots. Father, we see the horses that are carrying the chariots, that will always be breaking the yokes, breaking the yokes. Release this journey, they will cross the deserts and go into the mountains. Cross the deserts and go to the mountains. Chariots cross the deserts and go into the promise land. Father, we declare, this chariot, the King of Kings is calling this chariot. Father we declare this new journey has just started. Release special anointing to this place. Thank you, Father. Thank you, Holy Spirit. In Jesus Name.

Revelation of new direction. 7 years of long journey in this upper room, this Father's house, has special purpose, connecting with Pennsylvania. Your hearts are thirsty. God's calling for you is not pastors, evangelists but intercessors and forerunners. Pastors, evangelists and prophets will follow you.

Raise intercessors, take the cities, Jericho march warfare is for church and God will break the wall. New wall through Anna. Old wall be broken and new wall of prayer and unity be built. Bridge of NJ, PA and Washington, God is connecting. Start and you will see the next thing followed. Pastors and ministers will follow. Take 40 days of fasting pray and others will say, another 40 days. Do not give up, do not be discouraged. Resistance from churches will come but do not give up, God is raising up the leftovers from the church, not the main but the leftovers, the remnants of Israel, powerful!

The PA pastor I met last Sunday, there was spiritual warfare in the last 6 months. God needs those who pray day and night. I am here by accident, but my heart is here all the time. Coming here my heart jumps up. My prayer is always behind you, especially for these two, Fred and Molica. The message for you is hard but it's from God, you are called for nations and the aboriginals. They need fathers and mothers. God raise you up so you can release them with you. You are released but you do not leave HIC, the whole church is for the nations. Your call for a big church is over, but the big nations is your church. God is using you to release everyone, God is using you. It's important time for the United States. From the east coast a new army is being raised, it is now, who never was known, just simple and humble people, but God use. In the east coast people rise up for children and youngth. New waves for the east coast. Pray for your youth and children to be stronger.

Thank you Lord, Fred and Molica are for the leaders. The leaders need father and mother, many leaders need father and mother, many leaders and pastors need father and mother. This church has come to the second season of the one journey. Today it has come to another season, this church is raised not only for NJ but a model to many. God will release leaders from HIC, teachers and trainers because you have father and mother.

Thank you Lord, I come to this family to encourage them. God is using you mightily though you do not know it. Keep going, focus on the children, equip the kids for worship and prayer. Focus on children, make the foundation strong, spend money on them. In India I did this and after years we see the fruits—engineers, doctors, media persons come up. The money is not wasted. They preach on TV, people call in day and night, powerful healings are happening. All are children. This is God's purpose. Many pastors do not invest in children's work because children do not give offering. But God will give because He loves children. This is the key secret in my ministry. Children are close to Father's heart! Increase youth work, not only English, but even Korean and Indian young ones together.

This is important place and time, new wave is coming. In the east coast you are the forerunner, fathers and mothers are being connected. Focus on the Kingdom, not on your church or ministry. God will take away a few years for His Kingdom purpose and for His heart. People are church focused but God is Kingdom focused. This is the season, shocking for people, nevertheless it's the calling from God. Afterwards God will take you back to church. This is the right time for the east coast. Kingdom churches walk and worship together to build the wall of unity. You are the pioneer, take lead!

Prophetic word for HIC through Molica. 給許御母的預言

From Torrey Harper.....07/27/2018 at Key Fellowship in Harrisburg, PA 預言者 / 時間 / 於賓州

Father I just thank you for your servant, God I thank You for this season that you bring this woman of God into, 父神, 我為你的僕人感謝你, 為你帶領你的使女進入的這個季節感謝你
And Lord says, daughter know this cause this Hebraic year 5779 even unto 2019 to not only just being a year of open door, but the Lord says this is going to be a year of reformation, says the Lord. 主說, 女兒注意這個5779年甚至是進入2019年, 這不僅是一個敞開門的一年, 而且主說這將是一個改革重建的年。

The Lord says daughter you are like that Deborah, you will gather the army of the Lord, you will gather the troops of the Lord and the Lord says I'm going to cause you to gather multi-generations, multi people groups especially even in the Asian communities. 主說, 女兒妳像那個底波拉, 妳會聚集主的軍隊, 妳將把主的軍隊聚集起來, 而主說我會使妳聚集許多世代, 許多不同的族群尤其是亞洲的社群。

The Lord says there will be this revival that will break out in unity, and what I'm seeing is a picture of a tree, the Lord says you will cause the roots to go so deep and where there has been division in the roots the Lord says it will be healing in the root system of the Asian community says the Lord. 主說會有一個復興從合一當中爆發出來, 我看到一棵樹, 主說妳會使這樹的根紮根極深, 那亞洲社群的根中有裂開的地方, 會有醫治臨到這根系。

The Lord says he's going to set up a generation for generational blessings, and the Lord says that this healing is going to go imminent to the next generation. 主說祂要建立一個世代帶出累代的祝福, 而這醫治還將要臨到下一代。

Well, the Lord says I've called you to gather and to equip says the Lord for the Lords says out of your midst I'm going to raise up my fivefold ministry and the Lord says it will be like Antioch will be a sending center says the Lord. 主說, 我呼召妳聚集並裝備聖徒, 主說從你們中間我要興起我的五重職份。主如此說, 這將要像安提阿的教會成為一個差派中心。

And the Lord says you will raise them up, I feel like His school of ministry is going to break open from your midst says the Lord. The Lord says I will cause the curriculums of the school to begin to come forth and to immerge. The Lord says you will release the fivefold ministry, you will release people into the purpose as that apostolic movement of God as that apostolic center says the Lord, I am raising up in your midst. 然後主說妳會興起他們, 我感覺祂的事奉學校將在你們中間生出。主說我將使學校的課程開始出來並成形。主說妳會釋放五重職份, 妳會釋放人們進入他們的命定, 就如神的使徒運動如使徒中心, 這是主說的, 我正在你們中間興起。

The Lord says watch out what I am even begin to do from your place in New Jersey that I will impact the Asian nations and the gathering place. And the Lord says I will establish you, I will establish you to be a hub, a hub, a hub, that will be a gathering site. The Lord says know be sure that I am going to cause all the nations to come to your dwelling place says the Lord. 主說注意我在你們這地方新澤西所做的，我將要從這裡影響亞洲國家，是一個聚集回家的地方。主說，我要建立你成為一個樞紐，是一個樞紐，一個樞紐，成為一個聚集回家的場地。主說，你要確切的知道，我將使萬國到你居住的地方來。

And the Lord says know for sure even in the area of property and I am causing you there be a release even a fresh release on real estate fresh release on resources says the Lord in this hour, for the Lord says, for I am going to cause the doors of prosperity to begin to break open. 然後主說你要確切的知道，甚至在土地產業上，我要在房地產中產生一個新的釋放，新的來源的釋放，這是主說的，因為我要使昌盛的門在你們中間被打開。

I feel like there is even a wave of prayer that the Lord says I am going to cause the night watch the night watch the night watching I just see these hours of prayer and intercession and the fragrance in the incense of God rising up out of that place and that you'll see the glory, it's almost like that that the cloud by day and the pillar of fire by night 我也感受到甚至有一個禱告的浪潮，而主說我要造成一個夜間的守望，夜間的守望，夜間的守望，我看到在這時候的禱告與代

禱以及禱告之馨香煙雲在耶地升起。你會看見神的榮耀，似乎就像白天的雲柱，夜間的火柱。

And the Lord says you will see a new realm and demonstration of tangible supernatural presence of God even in your midst, for the Lord says, yes, I raise up even a house of prayer round about you and says the spirit of God. And the Lord says the incense is going to be like that Leviticus 6:13 and the Lord says not only from your place in New Jersey, but I am going to cause it to be this high way of holiness it is going to go from you to Jerusalem, from you and Israel, says the Lord your God. I just feel like going to be this pilgrimage that God is going to allow to come from Israel and Asian community, Israel and Asian community and the Lord says it's going to be a connection.

然後主說你會看到一個新的領域的神超自然的真實的榮耀同在及彰顯在你們當中，這是主說的，是的，我要興起一個禱告殿在你們周圍這是神的靈說的。然後主說這香要像利未記6:13節。然後主說不僅是在新澤西你們的地方，我還要使它成為一條聖潔大道將要從你們到耶路撒冷，從你們到以色列，這是你的神說的。我就是覺得將會好像朝聖一樣，神會使人從以色列和亞洲族群，從以色列和亞洲族群來，主說將會有一個連結。

But the Lord says it's reformation and it's revival, it's restoration and is recovering for such a time like this in your life through your ministry and through that apostolic center in your midst, says the Lord, Amen. 但是主說這是重建改革，這是復興，這是恢復，這是復原在這個時刻在你生命中經由你的事奉並且藉著那個使徒中心在你們中間，這是主說的，阿們！
